Planned Parenthood of Western Pennsylvania

Planned Parenthood of Western Pennsylvania's mission is to provide high-quality reproductive health care services, comprehensive sexuality education and strategic advocacy.

Planned Parenthood of Western Pennsylvania believes in the fundamental right of individuals to manage their fertility and reproductive health without regard to income, marital status, race, ethnicity, religion, sexual orientation, gender expression, age, national origin, or residence. We believe that reproductive self-determination must be voluntary and preserve the individual's right to privacy. We believe that respect and value for diversity in all aspects of our organization are essential to our well-being and that of our clients.
